

26% TURKEY STARTER CRUMB

FOR STARTING TURKEY CHICKS

Sure Crop Feeds' 26% Turkey Starter Pellet is a high protein ration formulated with a blend of high quality grains and vegetable proteins, in addition to balanced minerals and vitamins to meet the requirements of a growing bird. Designed to give turkey chicks the best start to a healthy life to ensure optimal future growth and production.

FEEDING DIRECTIONS

Feed this non-medicated 26% Turkey Starter Crumb as the sole ration to turkeys from one day of age up to and including 6 weeks of age. Follow with our 22% Turkey Grower Pellet.

RECOMMENDATIONS

- Ensure birds have access to fresh, clean water from day one.
- Do not allow feeders to run empty or stale feed to accumulate.
